

Preventing Death By Lecture! The Workshop

Make your training programs unforgettable!

The most practical and interactive train-the-trainer workshop can now be yours.

Bring to your company and clients this dynamic and memorable training program based on Sharon Bowman's best-selling book by the same name. Use it as part of your company's train-the-trainer programs, or as a stand-alone workshop to enhance trainers' skills.

What you will receive in the Starter Set:

- ✓ A complete facilitator's guide with detailed instructions and facilitator's script for presenting this exciting three-hour workshop.
- ✓ 10 copies of the interactive participant workbook (additional copies sold in quantities of 10).
- ✓ 1 copy of Sharon's best-selling book *"Preventing Death by Lecture!"* to use as a resource (additional copies sold at substantial discounts).
- ✓ 1 electronic set of Powerpoint® slides for the program.
- ✓ A non-exclusive license agreement so that you can offer the program as many times as you wish, to whomever you wish, provided that you use the official participant materials for the program.
